HELPING HEALTHCARE PRACTITIONERS SINCE 1931

*“Where health is concerned, there can be no compromise with quality”*

*From raw material to finished product, vigilance is the price of perfection. Without scientific care in manufacture, ingredients can lose much of their potential value.*

*This spirit of constant vigilance, expressed in terms of accurate controls, is typical of every detail of Vitaminerals’ service to the health care practitioner profession.*

## CONTENTS

- NERVE & NEURAL SUPPORT 4 - 5
- BONE/LIGAMENT 5 - 6
- PAIN/COMFORT 6 - 10
- LIFE STAGES 10 - 12
- ANTI -AGING/RELAXATION 13 - 14
- IMMUNE SUPPORT 14 - 16
- GASTRO- INTESTINAL DIGESTIVE 16 - 17
- MUSCLE 18
- WEIGHT MANAGEMENT 18-19

**VM 2BG+**

High Potency B Complex Neural Formula

For over 60 years 2BG+ has been the product of choice for reestablishing and normalizing nerve function. Along with providing the essentials for daily maintenance as a multivitamin, 2BG+ aids in recovery during periods of trauma, injury, physical stress and recuperation of a deficiency or imbalance of nutrients resulting in functional damage of the nervous system.

**FOUR TABLETS PROVIDE:**

• Vitamin A (acetate, carotene)	4,000 IU	• Pantothenic acid (ca. pantothenate)	10 mg
• Vitamin C (mineral ascorbates)	120 mg	• Calcium	120 mg
• Vitamin D (cholecalciferol)	1,000 IU	• (citrate, ascorbate, phosphate, carbonate)	
• Vitamin E (natural tocopherols)	2.4 IU	• Phosphorus (Ca phosphate)	120 mg
• Thiamin (mononitrate)	100 mg	• Iodine (kelp)	100 mcg
• Riboflavin	12 mg	• Magnesium (ascorbate, oxide)	100 mg
• Niacin (niacinamide)	60 mg	• Zinc (ascorbate)	15 mg
• Vitamin B6 (pyridoxine HCl)	10 mg	• Copper (ascorbate)	1 g
• Folic acid	400 mcg	• Choline citrate	17 mg
• Biotin	200 mcg		

**OTHER INGREDIENTS:** VM 2 Food Concentrate Base: (alfalfa, kale, carrot, papaya, ashwagandha, lemon, orange, blueberry, bilberry ext., grape seed ext., asparagus, elderberry, currant, ginger, resveratrol, cayenne, turmeric), microcrystalline cellulose, vegetable stearin, stearate, croscarmellose, hypromellose, titanium dioxide, magnesium stearate.

**TABLETS:** 120, 240 Vegetarian

**VM 56 ULTRASIX**

Special B6 Formula

For cases of specific neural demand such as carpal tunnel syndrome, repetitive motion injuries and conditions with similar symptoms and treatment regimes.

**ONE TABLET PROVIDES:**

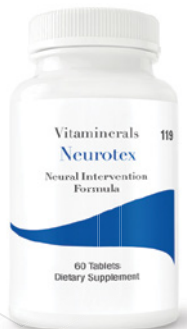

• Vitamin B6 (pyridoxine)	50 mg	• Vitamin C	50 mg
• Vitamin B1 (thiamine)	10 mg	• Niacinamide	50 mg
• Vitamin B2 (riboflavin)	10 mg	• Magnesium (oxide)	50 mg
• Vitamin B12 (cyanocobalamin)	5 mcg		

**OTHER INGREDIENTS:** Calcium phosphate, microcrystalline cellulose, silica, vegetable stearin, magnesium stearate, hypromellose, microfine wax.

**TABLETS:** 100, 200 Vegetarian

**VM 119 NEUROTEx**

Neural Nutritional Intervention

Supplies high levels of B Complex, plus phosphorylated forms, for acute neural requirements.

**FOUR TABLETS PROVIDE:**

• Vitamin B1 (thiamine)	30 mg	• Pantothenic acid (Ca Pantothenate)	80 mg
• Riboflavin	34 mg	• Riboflavin 5'-Phosphate	340 mcg
• Niacin (niacinamide)	400 mg	• Pyridoxal 5'-Phosphate	400 mcg
• Vitamin B6	40 mg	• Phosphatidylcholine	20 mg
• Folic Acid	400 mcg	• Phosphatidylinositol	10 mg
• Vitamin B12 (cyanocobalamin)	60 mcg	• Para-Aminobenzoic Acid	10 mg
• Biotin	100 mcg		

**OTHER INGREDIENTS:** Lecithin, calcium phosphate, microcrystalline cellulose, maltodextrin, vegetable stearin, hypromellose, silica, magnesium stearate.

**TABLETS:** 60 Vegetarian

**VM 101 VITA-MINTZ**

High Potency B Complex Neural Formula

Vita-Mintz will sharpen your focus and increase your energy the natural way with a burst of Vitamin B12, Folic Acid, CoQ10, Carnitine, Taurine and other energizing amino acids while freshening your breath with the cool taste of Spearmint and cleansing your body with nature's own Chlorophyll. Vita-Mintz won't make you jittery, anxious or disrupt sleep patterns.

**EACH MINT CONTAINS:**

• Folic acid	200 mcg	• CoEnzyme Q10	125 mg
• Vitamin B12 (cobalamin)	500 mcg	• L-Carnitine (tartrate)	5 mg

**OTHER INGREDIENTS:** Sorbitol, xylitol, vegetable stearin, silica, oil of spearmint, chlorophyll, taurine, arginine, glutamine, histidine, magnesium stearate.

**TABLETS:** 60 Vegetarian

**VM 95 PRIMACAL**

Maximum Strength Bone Formula

Degeneration of bones typically begins in our early 30's and is usually not recognized until serious health risks such as osteoporosis, occurring in midlife. Weakened bones from lack of calcium leading to fractures are the main cause of physical incapacitation. Typical diets, especially those with restricted dairy intake, cannot provide adequate calcium to support bone preservation. PrimaCal is formulated to provide graduated dosing as needed and essential components to help restore and maintain bone density and stability.

**SIX TABLETS PROVIDE:**

• Calcium	1,800 mg	• Magnesium (citrate, gluconate, oxide)	100 mg
• (citrate, ascorbate, phosphate)		• Boron (AA chelate)	5 mg
• Phosphorus (phosphate)	1,200 mg	• Vitamin D (cholecalciferol)	400 IU
• Manganese (gluconate)	10 mg		

**OTHER INGREDIENTS:** Vegetable stearin, microcrystalline cellulose, magnesium stearate, hypromellose.

**CAPSULES:** 120, 240 Vegetarian

**VM 9 CAL-ESSENTIALS**

Maximum Strength Bone Formula

A fundamental bone and skeletal formula combining maintenance levels of calcium and phosphorus with essential vitamins and minerals. VM 9 utilizes the VM 2 Food Base carrier, concentrated from fresh fruits and vegetable.

**FOUR TABLETS PROVIDE:**

• Vitamin A (acetate, carotene)	4,000 IU	• Niacin (niacinamide)	10 mg
• Vitamin C	30 mg	• Calcium	750 mg
• (ascorbic acid, ascorbates)		• Phosphorus	580 mg
• Vitamin D (cholecalciferol)	1000 IU	• Magnesium (ascorbate, citrate, oxide)	200 mg
• Vitamin E (natural tocopherols)	2.4 IU	• Manganese (ascorbate)	10 mg
• Riboflavin	2 mg		

**OTHER INGREDIENTS:** calcium phosphate, calcium carbonate, cellulose, vegetable stearin, croscarmellose, VM 2 Food base, magnesium stearate, hypromellose, silica, calcium citrate, calcium ascorbate.

**TABLETS:** 100, 400 Vegetarian

BONE / LIGAMENT

## VM 117 DISTEX

Disc Formula

Providing saturation levels of manganese, Vitamin C and cofactors for disc and fibrous/collagenous tissue repair.

### TWO TABLETS PROVIDE:

- |  |          |                        |        |
|--|----------|------------------------|--------|
| • Manganese (sulfate)                              | 75 mg    | • Citrus Bioflavonoids | 50 mg  |
| • Calcium (ascorbate, citrate, lactate, carbonate) | 150 mg   | • Vitamin D            | 400 IU |
| • Vitamin C (ascorbic acid, citrus, ascorbate)     | 1,000 mg | • Zinc (ascorbate)     | 15 mg  |
|  |          | • Bromelain            | 100 mg |

**OTHER INGREDIENTS:** Microcrystalline cellulose, vegetable stearin, croscarmellose, silica, magnesium stearate, hypromellose.

**TABLETS:** 60 Vegetarian

BONE / LIGAMENT

## VM 18 LIGATEX

Ligament and Tendon Formula

Providing special requirements for ligament and collagenous tissue repair. High levels of manganese and flavonoids.

### THREE TABLETS PROVIDE:

- |                                     |        |  |         |
|-------------------------------------|--------|--|---------|
| • Manganese (sulfate)               | 50 mg  | • Vitamin B6 (pyridoxine)                    | 1 mg    |
| • Vitamin C (ascorbic acid)         | 100 mg | • Calcium (phosphate, ascorbates, carbonate) | 405 mg  |
| • Rutin                             | 50 mg  | • Iron (gluconate)                           | 10 mg   |
| • Citrus bioflavonoids              | 200 mg | • Phosphorus (calcium phosphates)            | 120 mg  |
| • Vitamin B1 (thiamine mononitrate) | 3 mg   | • Iodine (kelp)                              | 0.15 mg |
| • Vitamin B2 (riboflavin)           | 3 mg   | • Choline citrate                            | 50 mg   |
| • Niacin (niacinamide)              | 10 mg  |  |         |

**OTHER INGREDIENTS:** Vegetable stearin, microcrystalline cellulose, maltodextrin, croscarmellose, silica, magnesium stearate, hypromellose.

**TABLETS:** 90, 270 Vegetarian

PAIN / COMFORT

## VM 122

NOx NHF combines Nitric Oxide (NOx) Inducer with powerful anti-inflammatories to help increase circulation, decrease inflammation, and normalize vascular absorption, which in turn aids in faster recovery times.

### TWO CAPSULES:

- |   |        |
|---|--------|
| • NOx Inducer (L-arginine, L-citrulline, L-Norvaline) | 500 mg |
| • Quercetin   | 100 mg |
| • Methoxy Flavonoids                                  | 300 mg |
| • Pyridoxine HCl                                      | 30 mg  |

### PROTEOLYTIC ACTIVITY:

- |                                  |             |
|----------------------------------|-------------|
| • Bromelain                      | 15 GD units |
| • Papain                         | 15 MC units |
| • White Willow ext.(25% salicin) | 4:1 100 mg  |
| • Boswellia serrata ext.         | 90 mg       |

**OTHER INGREDIENTS:** Microcrystalline cellulose, silica, magnesium stearate, hypromellose.

**TABLETS:** 60 Vegetarian

## VM 121+ INFLAMAX FORTE

PAIN / COMFORT

Inflammamax Forte aids in the relief of inflammation while providing comfort from such conditions as Arthritis, Carpal Tunnel, Bursitis, Joint Pain, Muscle Pain etc. Vitaminerals has also added ingredients such as Boswellia, Vitamin B6, and natural anti-inflammatory enzymes to combat even the toughest conditions.

**\*NOTE:** Niacin is a vasodilator and may produce a warm, tingling sensation perhaps accompanied by a red flush around the neck and face.

### TWO CAPSULES:

- |                               |        |
|-------------------------------|--------|
| • Vitamin B6                  | 100 mg |
| • Niacin                      | 50 mg  |
| • Methoxy flavonoids (citrus) | 300 mg |

### PROTEOLYTIC ACTIVITY:

- |                                   |             |
|-----------------------------------|-------------|
| • Bromelain                       | 15 GD units |
| • Papain                          | 15 MC units |
| • Trypsin/Chymotrypsin            | 3,750 units |
| • White Willow ext. (25% salicin) | 150 mg      |
| • Boswellia Serrata ext. (65%)    | 100 mg      |

**OTHER INGREDIENTS:** Calcium phosphate, vegetable stearin, maltodextrin, croscarmellose, magnesium stearate, silica, hypromellose.

**CAPSULES:** 42, 120 Vegetarian

## VM 33+ BALDRIAN PLUS

Natural Botanical Relaxant

PAIN / COMFORT

Vitaminerals was the first to recognize and standardize Valerian extracts over 60 years ago. Baldrian Plus is a natural relaxant that is effective for muscle tension, muscle spasm, and anxiety. It is safe, natural, and non-habit forming.

### TWO TABLETS PROVIDE:

- |             |         |  |        |
|-------------|---------|--|--------|
| • BALDRIAN® | 350 mg* | • Magnesium (carbonate, aspartate, ascorbate, citrate, gluconate, oxide) | 250 mg |
|-------------|---------|--|--------|
- \*Standardized to 2.15 K-K units (Valerian extract, Passion Flower, Lemon Balm, Hops)

**OTHER INGREDIENTS:** Calcium phosphate, cellulose, vegetable stearin, microcrystalline cellulose, croscarmellose, sodium starch glycolate, magnesium stearate, hypromellose.

**CAPSULES:** 42, 120 Vegetarian

## VM 10 MAGNESE

Magnesium Calcium Muscle Relaxant

PAIN / COMFORT

Provides increased levels of magnesium and calcium during periods of muscular cramping and spasm. Buffered for maximum absorption.

### TWO CAPSULES:

- |   |          |
|---|----------|
| • Magnesium (citrate, ascorbate, oxide) | 500 mg   |
| • Calcium (citrate, ascorbate)          | 250 mg   |
| • Vitamin D (cholecalciferol)           | 1,000 IU |

**OTHER INGREDIENTS:** Cellulose, vegetable stearin, maltodextrin, silica, magnesium stearate, hypromellose.

**CAPSULES:** 60, 180 Vegetarian

PAIN / COMFORT

## VM 121 INFLAMAX

Quercetin, Proteolytic Enzymes

Provides the pure proanthocyanidin Quercetin and methoxy flavonoids with proteolytic enzymes, natural salicin and the characteristic natural vasodilation of niacin to provide support in inflammatory states. Effective for spinal, joint or soft involvement.

**\*NOTE:** Niacin is a vasodilator and may produce a warm, tingling sensation perhaps accompanied by a red flush around the neck and face.

### TWO TABLETS PROVIDE:

- Quercetin 50 mg
- Methoxy flavonoids 200 mg

### PROTEOLYTIC ACTIVITY:

- Bromelain 15 GDU
- Papain 15 MCU
- Trypsin/Chymotrypsin 3,750 USP
- White Willow ext (25% salicin) 100 mg
- Boswellia serrata extract 65% 30 mg
- Niacin 50 mg

**OTHER INGREDIENTS:** Calcium carbonate, vegetable stearin, guar gum, maltodextrin, croscarmellose, silica, magnesium stearate, hypromellose.

**TABLETS:** 42, 120 Vegetarian

PAIN / COMFORT

## VM 171 GLENALGESIC

Topical Analgesic Cream

Glenalgescic provides warm soothing relief for muscle aches and pains from overexertion, fatigue, injured joints and arthritis. Glenalgescic delivers natural salicylates from Oil of Wintergreen directly to injured and painful areas, combined with the warmth from natural extracts of Camphor and Menthol for long lasting action. May also be used prior to exercise to increase blood flow and relax stiff muscles.

**SIZE(S):** 4oz, 16oz

PAIN / COMFORT

## VM 402 CRYOGEL

Natural Coolant Gel With Arnica Pain Relief Without The Painful Scent!

Available in 3 different, non-medicinal scents, Cryogel Island Rain, Lavender & Ocean Sport. Combines potent natural extracts of Arnica, Menthol, Camphor and Witch Hazel with the penetrating power of MSM. Cryogel quickly cools the affected area bringing fast soothing comfort while its deep penetrating ingredients go to work for long lasting relief.

### ISLAND RAIN

Along with the pain-relieving base found in each Cryogel formula, Cryogel Island Rain also contains the antioxidant protection of aloe vera, green tea extract and Vitamins C and E.

**SIZE:** 4oz

### LAVENDER BREEZE

Along with the pain-relieving base found in each Cryogel formula, Cryogel Lavender Breeze also contains essential oils of Lavender, Passion Flower and Chamomile for a soothing and relaxing aromatherapy effect.

**SIZE:** 4oz

### OCEAN SPORT

Along with the pain-relieving base found in each Cryogel formula, Cryogel Ocean Sport offers a refreshing, non-medicinal scent so you don't have to worry about smelling like a medicine cabinet where or whenever your body may call for it.

**SIZE:** 4oz

## VM 120 FORMULA 120

PAIN/COMFORT

One of our oldest formulas, established in the 1930's with a wide range of topical applications from helping boxing & mixed martial arts cornerman to everyday uses like a detergent, mouthwash and gargle (using 2 - 10 drops per ounce of water). This is one formula that should always be on hand or in every medicine cabinet.

**ACTIVE INGREDIENTS:** Mineral concentrates containing aluminum, ferric and ferrous sulfates.

**SIZE(S):** 1 oz.

## VM 120+ CORNERMAN'S CARE

PAIN/COMFORT

Made upon request for easy spray application of our Formula 120 for Boxing & MMA Cornerman and for every athletic endeavor.

**USES:** - Cuts & Sores, Astringent, Homostatic, Ear Infections, Detergent, Mouthwash, Eye wash

**ACTIVE INGREDIENTS:** Mineral concentrates containing aluminum, ferric and ferrous sulfates.

**SIZE:** 1 oz.

## VM 128 GLUCOSAMINE SULFATE, CHONDROITIN, COMPLEX

PAIN / COMFORT

Vitaminerals was a pioneer in the use of glucosamine and chondroitin over 20 years ago. Combined with Glucosamine Sulfate and Chondroitin natural anti-inflammatory agents, White willow (natural salicin), Boswellia, Turmeric, (source of curcuminoids), and Bioflavonoids. Provides the pharmaceutical grade proteoglycans necessary for healthy intact cartilage and joint tissues with standardized botanical extracts to supply a nondrug response for both acute and chronic conditions.

### THREE TABLETS PROVIDE:

- |                                      |          |                                 |        |
|--------------------------------------|----------|---------------------------------|--------|
| • Glucosamine Sulfate                | 1,200 mg | • Turmeric (root)               | 225 mg |
| • Chondroitin Sulfate                | 600 mg   | • Bioflavonoid complex (citrus) | 150 mg |
| • White willow extract (25% salicin) | 270 mg   | • Copper (gluconate)            | 2 mg   |
| • Boswellia serrata extract 65%      | 30 mg    | • Manganese (sulfate)           | 25 mg  |

**OTHER INGREDIENTS:** Calcium phosphate, vegetable stearin, microcrystalline cellulose, maltodextrin, hypromellose, silica, magnesium stearate.

**CAPSULES:** 90, 180 Vegetarian

## VM 137 MSM GLUCOSAMINE

PAIN / COMFORT

MSM combined with Glucosamine Sulfate. For use when autoimmune or inflammatory condition is specific to joint and articular tissues and fluids.

### EACH TABLET PROVIDES:

- MSM (methylsulfonylmethane) 400 mg
- Glucosamine Sulfate 500 mg

**OTHER INGREDIENTS:** Vegetable stearin, microcrystalline cellulose, maltodextrin, silica, magnesium stearate, hypromellose.

**TABLETS:** 90 Vegetarian

PAIN / COMFORT

## VM 126 GLUCOSAMINE SULFATE

A unique bilayer tablet combining vegetarian glucosamine and MSM with anti-inflammatories and standardized high salicin content white willow extract. Formula is ideal for both vegetarians and those who may be sensitive to shellfish.

### EACH TABLET PROVIDES:

- |                                      |          |                                   |        |
|--------------------------------------|----------|-----------------------------------|--------|
| • Glucosamine (vegetarian)           | 1,200 mg | • Methoxyflavonoids (citrus)      | 75 mg  |
| • MSM (methylsulfonylmethane)        | 600 mg   | • Boswellia serrata extract (65%) | 100 mg |
| • White willow extract (25% salicin) | 270 mg   | • Turmeric                        | 150 mg |

**OTHER INGREDIENTS:** Microcrystalline cellulose, vegetable stearin, croscarmellose, silica, magnesium stearate, hypromellose.

**TABLETS:** 90 Vegetarian

LIFE STAGES

## VM 131 PROSTACTIN

Saw Palmetto, Pygeum Prostate Formula

PROSTACTIN® combines standardized extracts, powerful antioxidants, and essential amino acids and minerals to support proper prostate health especially in the presence of BPH (benign prostatic hyperplasia).

### TWO TABLETS PROVIDE:

- |  |          |                         |        |
|--|----------|-------------------------|--------|
| • Saw Palmetto Ext.(25% sterol)        | 230 mg   | • Vitamin C (ascorbate) | 100 mg |
| • Pygeum Ext. 30:1 (2.5% sterol)       | 25 mg    | • Zinc (ascorbate)      | 30 mg  |
| • Lycopene                             | 2 mg     | • Hydrangea root        | 150 mg |
| • Selenium (selenomethionine)          | 43 mcg   | • Pumpkin seed          | 100 mg |
| • Vitamin A (beta carotene)            | 5,000 IU | • L-glycine             | 100 mg |
| • Vitamin E (alpha tocopheryl acetate) | 100 IU   | • L-alanine             | 25 mg  |

**OTHER INGREDIENTS:** Microcrystalline cellulose, silica, magnesium stearate, hypromellose.

**TABLETS:** 60 Vegetarian

LIFE STAGES

## VM 28 FEMILON

Women's Hormone Balancing Formula

### TWO TABLETS PROVIDE:

- |                                  |        |  |
|----------------------------------|--------|--|
| • Vitamin E (succinate, acetate) | 120 IU | • Black cohosh (Cimicifuga racemosa), Red clover (Trifolium pratense), Uva Ursi Ext. (Arctostaphylos), Buchu Ext. (Barosma betulina), Chaste Tree Berry Ext. (Vitex agnus-casti) |
| • Vitamin B6 (Pyridoxine HCl)    | 250 mg |  |
| • Magnesium (oxide)              | 200 mg |  |
| • Femilon Complex                | 400 mg |  |

**OTHER INGREDIENTS:** Magnesium oxide, modified cellulose, calcium carbonate, vegetable stearin, croscarmellose, magnesium stearate, silica.

**TABLETS:** 60 Vegetarian

## VM 39 STRESS FORMULA WITH ZINC

LIFE STAGES

For people under exceptional stress or strain whether physical, emotional or mental. Provides water soluble vitamins including phosphorylated active forms and zinc which are depleted during periods of stress.

### THREE TABLETS PROVIDE:

- |                                |         |                                      |         |
|--------------------------------|---------|--------------------------------------|---------|
| • Vitamin C (ascorbic acid)    | 500 mg  | • Biotin                             | 100 mcg |
| • Vitamin B1 (thiamine mono.)  | 15 mg   | • Pantothenic acid (Ca pantothenate) | 40 mg   |
| • Vitamin B2 (riboflavin)      | 17 mg   | • Zinc (sulfate)                     | 15 mg   |
| • Niacin (niacinamide)         | 200 mg  | • Riboflavin 5' -phosphate           | 170 mcg |
| • Vitamin B6 (pyridoxine)      | 20 mg   | • Pyridoxal 5' -phosphate            | 200 mcg |
| • Folic acid                   | 400 mcg | • Para aminobenzoic acid             | 10 mg   |
| • Vitamin B12 (cyanocobalamin) | 30 mcg  |                                      |         |

**OTHER INGREDIENTS:** Calcium phosphate, cellulose, vegetable stearin, croscarmellose, silica, magnesium stearate, hypromellose.

**TABLETS:** 60 Vegetarian

## VM 16 POLYMINERAL FORMULA

LIFE STAGES

A balanced formula of both major and trace minerals, essential to healthy body function and cell, enzyme, tissue and muscle activity. As important as proper vitamin levels but often ignored or unnoticed until severe clinical manifestations are present. The almost universal practice of consuming bottled water removes an important dietary source of these important nutrients from our diet. Especially the trace minerals.

### THREE TABLETS PROVIDE:

- |   |         |                                  |         |
|---|---------|----------------------------------|---------|
| • Calcium (citrate, ascorbate, carbonate) | 500 mg  | • Chromium (proteinate)          | 200 mcg |
| • Iron (gluconate)                        | 18 mg   | • Molybdenum (proteinate)        | 200 mcg |
| • Phosphorus (calcium phosphate)          | 150 mg  | • Chloride (potassium chloride)  | 90 mg   |
| • Iodine (kelp)                           | 150 mcg | • Potassium (potassium chloride) | 99 mg   |
| • Magnesium (oxide)                       | 400 mg  | • Colloidal sulfur               | 10 mg   |
| • Zinc (gluconate)                        | 30 mg   | • Boron (proteinate)             | 200 mcg |
| • Selenium (proteinate)                   | 200 mcg | • Silica (silicon dioxide)       | 15 mg   |
| • Copper (gluconate)                      | 2 mg    | • Nickel (aa chelate)            | 30 mcg  |
| • Manganese (gluconate)                   | 4 mg    | • Tin (chelate)                  | 30 mcg  |
|   |         | • Vanadium (sulfate)             | 30 mcg  |

**ACTIVE INGREDIENTS:** Modified cellulose, vegetable stearin, croscarmellose, VM 2 base (Alfalfa, carrot, dulse, orange, pimento, turnip, malt, endive, watercress, tomato, spinach, soy, papaya, irish moss, lemon, wheat germ, lecithin), sodium starch.

**TABLETS:** 60, 90, 240 Vegetarian

## VM 211 ENHANCE

LIFE STAGES

EnHance is a male enhancement formula that combines agmatine, known to modulate neurotransmitter action and nitric oxide synthesis with standardized extracts to help enhance testosterone and energy levels naturally.

### THREE TABLETS PROVIDE:

- |                    |          |   |        |
|--------------------|----------|---|--------|
| • Niacin           | 36 mg    | • VM EnHance Complex (Epimedium ext. (horny goat weed), Tribulus terrestris ext., Ashwagandha ext., Maca root, Ginkgo biloba ext., Caffeine, Deer antler) | 630 mg |
| • Zinc (citrate)   | 30 mg    |   |        |
| • Agmatine sulfate | 1,000 mg |   |        |

**OTHER INGREDIENTS:** Modified cellulose, gelatin, silica, magnesium stearate.

**TABLETS:** 90 Vegetarian

LIFE STAGES

**VM 2 COMBADULT®** Comprehensive Multivitamin/Mineral Insurance Formula

Provides essential macro and micro nutrients plus important functional nutraceuticals to ensure a solid nutritional foundation. Formulated to allow flexible dosing without concern for over supplementation or megadosing. Utilizes the exclusive VM 2 Food Concentrate Base to provide natural food based nutritional factors from Alfalfa, Kale, Carrot, Lemon, Orange, Blueberry, Bilberry ext, Grape seed ext 98%, Asparagus, Papaya, Resveratrol, Elderberry, Black currant, Ginger, Cayenne, Turmeric, Ashwagandha.

**EACH TABLET PROVIDES:**

- |   |          |                               |         |
|---|----------|-------------------------------|---------|
| • Vitamin A (carotene, acetate)           | 5,000 IU | • Zinc (ascorbate)            | 15 mg   |
| • Vitamin C (ascorbic acid, citrus)       | 60 mg    | • Selenium (proteinate)       | 20 mcg  |
| • Vitamin D (cholecalciferol)             | 1000 IU  | • Copper (ascorbate)          | 1 mg    |
| • Vitamin E (natural tocopheryl)          | 15 IU    | • Manganese (AA chelate)      | 10 mg   |
| • Vitamin K (phytonadione)                | 100 mcg  | • Chromium (proteinate)       | 20 mcg  |
| • Vitamin B1 (thiamine)                   | 3 mg     | • Molybdenum (proteinate)     | 20 mcg  |
| • Vitamin B2 (riboflavin)                 | 3.4 mg   | • Potassium (citrate)         | 45 mg   |
| • Niacinamide                             | 30 mg    | • Lutein esters               | 300 mcg |
| • Vitamin B6 (pyridoxine)                 | 4 mg     | • Lycopene                    | 300 mcg |
| • Folic Acid                              | 400 mcg  | • Choline (bitartrate)        | 25 mg   |
| • Vitamin B12 (cyanocobalamin)            | 30 mcg   | • Inositol (rice extract)     | 12.5 mg |
| • Biotin                                  | 150 mcg  | • Boron (proteinate)          | 20 mcg  |
| • Pantothenic Acid (calcium pantothenate) | 10 mg    | • Nickel (AA chelate)         | 5 mcg   |
| • Calcium (citrate, ascorbate, phosphate) | 125 mg   | • Tin (AA chelate)            | 10 mcg  |
| • Phosphorus (phosphates)                 | 75 mg    | • Silicon (silica)            | 5 mg    |
| • Iron (ferrous gluconate)                | 10 mg    | • Vanadium (AA chelate)       | 10 mcg  |
| • Iodine (kelp)                           | 0.1 mg   | • Citrus Bioflavonoid Complex | 10 mg   |
| • Magnesium (citrate, ascorbate, oxide)   | 50 mg    |                               |         |

**OTHER INGREDIENTS:** VM 2 Base (Alfalfa leaf, kale leaf, carrot root, papaya fruit, bilberry fruit, blueberry fruit, elderberry fruit, black currant fruit, grape seed extract, lemon fruit, orange fruit, asparagus whole, ashwagandha, cayenne fruit, ginger root, turmeric root, resveratrol), microcrystalline cellulose, vegetable stearin, croscarmellose, magnesium stearate, hypromellose.

**TABLETS:** 90, 180 Vegetarian

**VM 2.5 COMBADULT® MINIS** Comprehensive Multivitamin/Mineral Insurance Formula

Identical to VM 2 Combadult® in a smaller, two tablets per day dose for those who prefer a smaller tablet size.

**TABLETS:** 180, 360 Vegetarian

LIFE STAGES

**VM 2D+** Vitamin D3 Cholecalciferol Complex

Up until recently, Vitamin D has been neglected and ignored. Recent research is linking increases in a number of serious health problems to Vitamin D deficiencies. Termed a "vitamin", it is more accurately a hormone, activating over 70 receptor sites, essential for innumerable metabolic functions combined with Vitamins exclusive iodotyrosine complex.

**ONE TABLET PROVIDES:**

- |   |          |   |        |
|---|----------|---|--------|
| • Cholecalciferol (Vitamin D3)          | 2,500 IU | • Vitamin K Complex (phyloquinone, menaquinone-7) | 80 mcg |
| • Vitamin A Complex (carotene, acetate) | 5,000 IU | • Iodine (iodotyrosine)                           | 75 mcg |
|   |          | • Ligustrum lucidum                               | 100mg  |

**OTHER INGREDIENTS:** VM 2 Base (alfalfa, apple, broccoli, cabbage, carrot, dulse, orange, watercress, tomato, spinach, soy, papaya, Irish moss, lemon, wheat germ, lecithin), calcium carbonate, microcrystalline cellulose, vegetable stearin, maltodextrin, croscarmellose, silica, magnesium stearate, hypromellose.

**TABLETS:** 60 Vegetarian

**VM 33 BALDRIAN**

Natural Relaxant Formula

ANTI-AGING / RELAXATION

Over 50 years of clinical use in doctors' offices. A mild non-habit forming natural relaxant as an aid for simple tension, anxiety and sleeplessness. BALDRIAN® is standardized using K-K units, the only measurement of biological activity to provide consistent dependable results.

**TWO TABLETS PROVIDE:**

- |  |        |  |       |
|--|--------|--|-------|
| • BALDRIAN®  | 165 mg | • Magnesium  | 75 mg |
| Standardized to provide 0.5 K-K units (Valerian extract, Passion Flower, Lemon Balm, Hops) |        | (ascorbate, aspartate, citrate, carbonate, gluconate, oxide) |       |

**OTHER INGREDIENTS:** Calcium phosphate, vegetable stearin, microcrystalline cellulose, croscarmellose, sodium starch glycolate, magnesium stearate, hypromellose.

**TABLETS:** 100, 200 Vegetarian

**VM 127 PRIME-OX**

Grape Seed Pine Bark Antioxidant Formula

ANTI-AGING / RELAXATION

PRIME-OX combines powerful phyto antioxidants providing protection from cellular damage caused by free radicals. Over 50 years of research confirms that these natural compounds, combined with vitamins and minerals, increase protection by a factor of up to 50 fold. Compounds provided include proanthocyanidins, polyphenols, catechins, ginkgolides, epigallocatechin and methylchalcone.

**EACH TABLET PROVIDES:**

- |                                     |       |                                |       |
|-------------------------------------|-------|--------------------------------|-------|
| • Grape seed ext (95% polyphenol)   | 20 mg | • Green tea ext. 30% catechins | 30 mg |
| • Maritime pine bark ext 95%        | 5 mg  | • Hesperidin (citrus)          | 25 mg |
| • Ginkgo biloba ext 24% ginkgolides | 50 mg |                                |       |

**ACTIVE INGREDIENTS:** Calcium carbonate, vegetable stearin, microcrystalline cellulose, croscarmellose, magnesium stearate, hypromellose, silica.

**TABLETS:** 60 Vegetarian

**VM 133 PROSOMNIA QR**

Melatonin Spray Quick Response

ANTI-AGING / RELAXATION

Prosomnia QR is biologically active Melatonin, developed to promote the fast onset of sleep and regulate sleep patterns. It is pleasant tasting, non-addictive and non-habit forming.

**THREE SPRAYS PROVIDE:** Melatonin 3 mg

**ACTIVE INGREDIENTS:** Vegetable glycerin, chamomile, passion flower, natural flavor, potassium sorbate (for freshness), citric acid.

**SPRAY:** 30 ml. Vegetarian

**VM 400 EDAP+**

Dermal Biostimulant

ANTI-AGING / RELAXATION

EDAP nourishes dry, damaged, irritated dermal tissues while forming a protective antioxidant skin barrier, protecting delicate dermal and subdermal tissues from free radical damage due to environmental stress and pollution in a multiphase, non-sensitizing, moisturizing base of plant sterols and penetrants.

**CONTAINS:** Vitamin E, Vitamin D, Vitamin A and Panthenol in a multiphasenon non-sensitizing, moisturizing base. Enhanced with Organic Coconut Oil, Organic Avocado Oil, Organic Olive Oil, Organic Grapeseed Oil, Organic Soybean Oil, Moringa Oil, Chamomile Essentia Oil, Peppermint Essential Oil, Aloe Vera Leaf extract and Vitamin C.

## VM 36 THEROPTIC

Vision Care Formula

The nutritional intake of specific carotenoids, antioxidants and minerals has proven effective in modifying the course of a number of genetic and degenerative eye related conditions including cataract formation, night blindness and macular degeneration.

**TWO TABLETS PROVIDE:**

- |   |          |                       |       |
|---|----------|-----------------------|-------|
| • Lutein  | 12 mg    | • Zinc (AA chelate)   | 30 mg |
| • Bilberry extract  | 100 mg   | • Copper (AA chelate) | 2 mg  |
| • Bioflavonoid Complex (hesperidin, citrus, rutin, quercetin) | 200 mg   |                       |       |
| • Vitamin A (beta carotene)                                   | 5,000 IU |                       |       |
| • Vitamin C (ascorbic acid, ascorbyl palmitate)               | 300 mg   |                       |       |
| • Vitamin E (natural tocopherols, mixed tocopherols)          | 60 IU    |                       |       |

Including the natural carotenoids trans beta carotene, d-cis beta carotene, 9-cis beta carotene, trans alpha carotene, 15-cis alpha carotene, Lutein, Zeaxanthin, and d-beta, d-gamma and d-delta tocopherols.

**OTHER INGREDIENTS:** Calcium phosphate, microcrystalline cellulose, vegetable stearin, maltodextrin, croscarmellose, magnesium stearate, silica, hypromellose.

**TABLETS:** 60, 120 Vegetarian

## VM 133+ PROSOMNIA FORTE

Advanced Sleep Formula

Maximum strength sleep aid. Prosomnia Forte helps in every phase of sleep. Melatonin initiates the onset of sleep. B-phenyl GABA and hydroxytryptophan work together to maintain serotonin levels, prolong and promote a deeper, more restful sleep. Prosomnia Forte should only be taken just before retiring to bed.

**ONE CAPSULE PROVIDES:**

- |  |        |
|--|--------|
| • Melatonin  | 3 mg   |
| • Prosomnia Complex (hydroxytryptophan, B-phenyl (GABA)) | 500 mg |

**CAPSULES:** 30 Vegetarian

## VM 25 AZACT

Resistance Formula

Combines Vitamin A, Vitamin C, Vitamin D, Zinc and pure Lysine to provide increased immune resistance during periods of viral infection or exposure.

**EACH TABLET PROVIDES:**

- |  |           |   |        |
|--|-----------|---|--------|
| • Vitamin A (beta carotene, palmitate) | 12,500 IU | • L-lysine  | 200 mg |
| • Vitamin C (ascorbic acid)            | 200 mg    | • Advanced Resistance Complex (beta glucan, quercetin (dihydrate), hesperidin, rutin) | 50 mg  |
| • Vitamin D (cholecalciferol)          | 600 IU    |   |        |
| • Zinc (sulfate)                       | 25 mg     |   |        |

**OTHER INGREDIENTS:** Calcium phosphate, silica, vegetable stearin, croscarmellose, magnesium stearate, hypromellose.

**TABLETS:** 60 Vegetarian

## VM 129 TRIVIRA

Resistance Formula

Combines herbal extracts, natural cholecalciferol and prebiotic saccharides. Three unique forms of support providing resistance during periods of increased exposure.

**TWO TABLETS PROVIDE:**

- |  |          |  |       |
|--|----------|--|-------|
| • Vitamin D3 (cholecalciferol)   | 2,000 IU | • Prebiotic Saccharide Complex (Beta glucans, Larch arabinogalactan) | 50 mg |
| • Resistance Complex (Echinacea purpurea ext. 4:1 Andrographis paniculata ext. 20% Golden Seal ext. 4:1) | 650 mg   |  |       |

**OTHER INGREDIENTS:** Calcium phosphate, microcrystalline cellulose, vegetable stearin, croscarmellose, magnesium stearate, silica, hypromellose.

**TABLETS:** 60 Vegetarian

## VM 114 ZIRATEX

Zinc Lozenges

Provides Zinc as the ascorbate in a pleasant tasting lozenge which may be dissolved in the mouth providing direct application of free zinc to the throat tissues.

**EACH LOZENGE PROVIDES:**

- |                    |         |                         |       |
|--------------------|---------|-------------------------|-------|
| • Zinc (ascorbate) | 3.75 mg | • Vitamin C (ascorbate) | 50 mg |
|--------------------|---------|-------------------------|-------|

**OTHER INGREDIENTS:** Sucrose, sorbitol, fructose, cellulose, natural flavor, magnesium stearate, silica, oil of orange

**TABLETS:** 36 Vegetarian

## VM 105 ZINCOMB

Zinc Lozenges

Zincomb provides increased tissue levels of zinc and Vitamin C when exposure to viral or bacterial infections demands increased immune response.

**THREE TABLETS PROVIDE:**

- |             |        |  |       |
|-------------|--------|--|-------|
| • Zinc      | 100 mg | • Citrus Bioflavonoids (from zinc ascorbate and gluconate, ascorbic acid and citrus) | 50 mg |
| • Vitamin C | 100 mg |  |       |

**OTHER INGREDIENTS:** Calcium phosphate, microcrystalline cellulose, vegetable stearin, magnesium stearate, silica, hypromellose.

**TABLETS:** 90 Vegetarian

## VM 60 C-600

High Potency Vitamin C Bioflavonoid Formula

Provides more than the normally required amount of Vitamin C during times of stress or exposure. With decelerated release for maximum absorption without gastric sensitivity.

**EACH TABLET PROVIDES:**

- |                                     |        |                        |       |
|-------------------------------------|--------|------------------------|-------|
| • Vitamin C (ascorbic acid, citrus) | 600 mg | • Citrus Bioflavonoids | 50 mg |
|-------------------------------------|--------|------------------------|-------|

**OTHER INGREDIENTS:** Vegetable stearin, cellulose, magnesium stearate, silica, hypromellose.

**TABLETS:** 100, 200 Vegetarian

IMMUNE SUPPORT

**VM 63**

1,000 Mg Vitamin C Formula

Maximum strength C and Bioflavonoid Complex with decelerated release for maximum absorption without gastric sensitivity.

**EACH LOZENGE PROVIDES:**

- Vitamin C (ascorbic acid, citrus) 1,000 mg
- Citrus Bioflavonoids 50 mg

**OTHER INGREDIENTS:** Vegetable stearin, cellulose, magnesium stearate, silica, hypromellose.

**TABLETS:** 60, 100 Vegetarian

IMMUNE SUPPORT

**VM 41**

Chewable Polyascorbate Bioflavonoid Formula

Vitamin C from calcium, magnesium, potassium, manganese, zinc ascorbates and ascorbic acid. Natural bioflavonoids from lemon and orange. In a natural citrus flavored chewable tablet.

**THREE TABLETS PROVIDE:**

- Vitamin C (ascorbic acid, ascorbates, citrus) 700 mg
- Citrus Bioflavonoids 5 mg

**OTHER INGREDIENTS:** Sucrose, sorbitol, fructose, vegetable stearin, cellulose, magnesium stearate, natural flavors, silica, Oil of Orange

**TABLETS:** 100, 200 Vegetarian

GASTRO-INTESTINAL DIGESTIVE

**VM PROBIOTIC**

Optimal Digestive & Immune Support

VM PROBIOTIC has been designed to promote optimal digestion and immune support. Antibiotics, illness, environmental, physical stress, injury, food allergies, plus many other conditions have a negative effect on our intestinal microflora, or good bacteria. Microflora levels affect nutrient absorption, gastrointestinal distress, bowel function, and the ability to resist toxic compounds and bacteria such as Candida and E. coli.

**ONE CAPSULE PROVIDES:**

- Probiotic Complex (L. gasseri, B. longum, B. bifidum) 4 billion CFU

**OTHER INGREDIENTS:** Desiccated potato starch, magnesium stearate. Capsule shell: Vegetarian hypromellose.

**CAPSULES:** 60 Vegetarian

GASTRO-INTESTINAL DIGESTIVE

**VM 1+ LAX HC**

Herbal Cleansing Compound

A traditional all botanical, effective cleansing and detoxifying complex.

**EACH TABLET PROVIDES:**

- 250 mg of 1+ Compound (cascara sagrada ext, senna leaf, rhubarb root, aloe vera, buckthorn bark, prune, capsicum oleoresin).

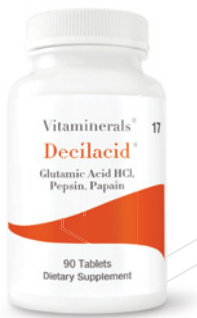

**OTHER INGREDIENTS:** Calcium phosphate, microcrystalline cellulose, vegetable stearin, croscarmellose, silica, magnesium stearate, hypromellose

**TABLETS:** 100 Vegetarian

**VM 17 DECELACID**

Glutamic Acid Hcl, Pepsin, Papain

GASTRO-INTESTINAL DIGESTIVE

The digestive process begins with the action of stomach acids on ingested foods, transforming and reacting them into bioavailable, absorbable nutrients. The production of digestive acids is altered by many influences, among them age, stress, disease, physical condition and allergies. It is important to note that the symptoms for hypoacidity are virtually the same as hyperacidity and is often misdiagnosed. In addition to gastric distress hypoacidity, a deficiency in acid content, results in decreases in nutrient absorption, especially minerals such as calcium and magnesium.

**EACH TABLET PROVIDES:**

- Glutamic Acid HCl providing 21.0 cc 0.1N. Hcl equal to 12 minims of diluted Hydrochloric acid N.F. 390 mg
- Papain 50 mg
- Pepsin 32 mg

**OTHER INGREDIENTS:** Microcrystalline cellulose, vegetable stearin, peg 3350, silica, magnesium stearate, hypromellose.

**TABLETS:** 90 Vegetarian

**VM 61 NORMAGEST**

Standardized Enzymatic Formula

GASTRO-INTESTINAL DIGESTIVE

A comprehensive range of standardized enzymes providing amylolytic (carbohydrate), cellulolytic (cellulose), proteolytic (protein) and lipolytic (fat) activity. Sources of activity are pancreatin, ox bile salts and primary cultured enzymes.

**EACH CAPSULE PROVIDES:**

- Normagest (amylase, papain, bromelain, cellulose, protease, lipase, sucrase, lactase, maltase) 200 mg
- Digestive Enhance (ginger ext., peppermint (leaf), papaya, Bacillus coagulans (probiotic) Pepsin NF) 90 mg
- Standardized Pancreatin NF 3 (Pancreatin 4x) 80 mg

**OTHER INGREDIENTS:** Microcrystalline cellulose, silica, magnesium stearate, hypromellose.

**TABLETS:** 60, 120 Vegetarian

**VM 83 FLORAFOS**

Probiotic And Microflora Formula

GASTRO-INTESTINAL DIGESTIVE

Antibiotics, illness, environmental and physical stress, injury, food allergies plus many other conditions have a negative effect on intestinal microflora. Nutrient absorption, gastrointestinal distress, bowel function, and the ability to resist toxic compounds and bacteria such as Candida and E. coli are all affected by microflora status. FloraFos provides three primary, highly viable strains of beneficial microflora combined with fructooligosaccharides (FOS).

FOS is a unique probiotic that selectively promotes the growth and implantation of beneficial microflora in the small intestine.

**EACH CAPSULE PROVIDES:**

- 1,500,000,000 (1.5 billion) viable organisms (L. acidophilus, L. bifidus, L. rhamnosus) with 150 mg FOS

**OTHER INGREDIENTS:** Microcrystalline cellulose, silica, magnesium stearate, hypromellose

**TABLETS:** 60 Vegetarian

MUSCLE

**VM 37 NIATHERM**

A safe, non-toxic vasodilator. An aid to increasing blood flow to peripheral areas. Niacin has also been shown to be of benefit when cholesterol levels are elevated.

**NOTE:** Niacin produces a warm tingling sensation often accompanied by a red "flush" around the head and neck. This is normal and a direct indication that its natural vasodilating properties are working. This sensation is more pronounced in people that do not take niacin regularly. It occurs within thirty minutes of ingestion and subsides in approximately one hour later.

**FOUR TABLETS PROVIDE:**

- Niacin 330 mg
- Iodine (kelp) 0.15 mg
- Vitamin B1 (thiamine) 10 mg
- Vitamin B2 (riboflavin) 12 mg
- Vitamin B6 (pyridoxine) 2 mg

**OTHER INGREDIENTS:** Calcium phosphate, microcrystalline cellulose, vegetable stearin, croscarmellose, magnesium stearate, hypromellose. **TABLETS:** 120 Vegetarian

MUSCLE

**VM 22 LIPOTEX**

Lipotropic Formula

Provides potent nutraceuticals capable of emulsifying fats and cholesterol and enhancing lipotropic action of the liver.

**FOUR TABLETS PROVIDE:**

- Choline bitartrate 1,500 mg
- DL-Methionine 125 mg
- Betaine 50 mg
- Inositol 25 mg
- Vitamin B1 (thiamine) 5 mg
- Vitamin B2 (riboflavin) 3 mg
- Niacin 100 mg
- Vitamin B6 (pyridoxine HCL) 2 mg
- Vitamin B12 (cyanocobalamin) 10 mcg
- Iodine (kelp) 150 mcg

**OTHER INGREDIENTS:** Microcrystalline cellulose, vegetable stearin, silica, croscarmellose, magnesium stearate, hypromellose, natural color. **TABLETS:** 80, 240 Vegetarian

MUSCLE

**VM NO. 38 CALSANS**

Phosphorus Free Calcium

Calcium from citrate, lactate, sulfate and carbonate combined to maintain an acidic reaction essential for proper assimilation and bioavailability. Specific for elevating serum and tissue calcium levels. Particularly effective for nocturnal leg cramping and spasms due to decreased muscular calcium levels.

- Calcium 975 mg
- Manganese (sulfate) 10 mg
- Vitamin C (ascorbic acid) 100 mg
- Vitamin D 400 IU
- Glutamic acid HCl 325 mg

**OTHER INGREDIENTS:** Maltodextrin, microcrystalline, vegetable stearin, cellulose, silica, magnesium stearate. **TABLETS:** 180, 360 Vegetarian

WEIGHT MANAGEMENT

**VM 203 GARCINIA CAMBOGIA**

Weight Management Formula

Garcinia Cambogia contains Hydroxycitric acid or HCA, that studies show benefit weight loss in two ways. First, by reducing fat causing ATP citrate lyase, converting it to glycogen which can then be used by the body as energy and second, acting as an appetite suppressant by increasing serotonin levels. Increasing serotonin levels has the added benefit of acting as a mood enhancer.

- Chromium (dinicotinate) 100 mcg
- Garcinia Cambogia (50% HCA) 500 mg

**OTHER INGREDIENTS:** Microcrystalline cellulose, silica, magnesium stearate, gelatin capsule

**CAPSULES:** 60

**VM 200 RASPBERRY KETONES**

Standardized Enzymatic Formula

WEIGHT MANAGEMENT

Raspberry ketones are the primary aroma found in raspberries. Studies have shown that raspberry ketones regulate adiponectin, a protein hormone produced by fat cells that regulate metabolism and break down stored fat. Research has shown that boosting adiponectin causes the body to burn fat more efficiently.

**ONE CAPSULE PROVIDES:**

- Raspberry Ketones 500 mg

**OTHER INGREDIENTS:** Microcrystalline cellulose, silica, magnesium stearate, gelatin capsule

**TABLETS:** 60 Vegetarian

**VM 201 GREEN COFFEE EXTRACT**

Weight Management Formula

WEIGHT MANAGEMENT

Green Coffee Bean extract is rich with antioxidants and extremely low in caffeine. Green Coffee Beans contain high levels of Chlorogenic acid which is only minimally present once the beans have been roasted. Studies suggest that Chlorogenic acid inhibits sugar to the blood stream while boosting the body's metabolism, resulting in a reduction of fat. With caffeine only being minimally present, there are no jittery side effects.

- Green Coffee Bean Extract 400 mg
- Raspberry Ketones 50 mg

**OTHER INGREDIENTS:** Microcrystalline cellulose, silica, magnesium stearate, gelatin capsule

**CAPSULES:** 60

**VM 107 CLENZATION**

14 Day Cleanse-Detox Restore Program

WEIGHT MANAGEMENT

Clenzation is a unique 2-week program designed to cleanse and detoxify the body from both normal metabolic byproducts and the constant stresses we are subjected to by lifestyle and environment. The program consists of 6 liquid concentrates, one per day, to be mixed with water and consumed during the day for 6 days. Followed by 8 days of gastrointestinal restoration with probiotic capsules

**EACH 1oz CLEANSE DETOX LIQUID CONCENTRATE PROVIDES:**

- Calories 12
- Total carbohydrates 3 gm
- Sugars 2 gm

**CLENZATION DETOX COMPLEX 450 MG**

Astragalus root extract, Milk thistle extract, Nettle extract, Agave inulin, Grape seed extract, Alfalfa leaf, Irish moss, Wheat germ, lecithin, dulse.

**CLENZATION DETOX COMPLEX 600 MG**

Senna leaf extract, Rhubarb root extract, Aloe Vera extract, psyllium (husk), Cascara sagrada extract, Slippery elm bark, Uva ursi extract, Buchu extract, prune powder, papain.

**CLENZATION DETOX COMPLEX 2,500 MG**

Orange juice, grape juice, pineapple juice, grapefruit juice, blueberry juice, elderberry fruit, cranberry fruit, carrot, tomato, spinach, soy, papaya, watercress, lemon, pimento, endive, turnip, malt extract.

**OTHER INGREDIENTS:** Water, natural flavor, citric acid, dextrose, potassium sorbate.
