Natural Rubber Flip Flops

BRAND NOVEL

NATURAL RUBBER FLIP FLOPS

Waves Is Crafted Entirely From Genuine Sri Lankan Rubber Grown In The Fertile Slopes That Run Parallel To The Rolling Hills Of The Island

Design To Inspire

Waves comes from a place that still holds on to a magic that runs in the deep blue water, A place where you discover murmuring waterfalls, golden beaches dipped in tropical sunlight, lush rainforests, misty blue hills, smiling people and a quiet sense of peace.

This sincere inspiration blends in a kind of magic to Waves flip-flops. Shaped capturing the curve of ocean waves, coloured in the memory of indigenous birds and flowers, textured paying tribute to the silky rivers as well as sandy beaches, Waves is crafted by the island's own people using its very best natural rubber.

Waves Is Crafted Entirely From Genuine Sri Lankan Rubber. This Rubber Is Harvested, Treated And Crafted Into Comfortable Flip-flops Using Material And Processes That Meet The Highest Compliances And Leave No Trace On The Natural World Around Us .

Our rubber is sourced from faraway plantations that employ people from local villages. Waves in return, takes immense pride in employing them, creating incredible opportunities to many men, women and their families across the island.
