

LINIS GROW

WATER FOR THE WAY YOU GROW

The Linis Grow 1,500 GPD De-Chlorinator removes up to 99% of chlorine out of your water, as well as up to 90% of sediment, rust, silt, and particulates down to 5 microns. This system filters up to 60 gallons of water per hour, providing crystal clear water for your plants. Includes: Two stage 10" De-Chlorinator Unit with wall mount, garden hose connector, (2) 10 ft. feed line and outlet line, 3/8" ball valve, filter wrench, and spec sheet.

LG-DC-10
