

Spatula Hack Flex User Guide

Warning: *Wipe down product before use. Be aware of sharp edges on this product. Keep out of reach of children. If you use this product efficiently, you may experience an influx in houseguests due to a bunch of moochers wanting your delicious food. Proceed with caution.*

Our Story: Hi, we are Sam and Brian, the founders of BBQ Hack. We are just a couple of backyard BBQ enthusiasts who believe that cooking brings people together. We developed and sold our first product in 2018 and since then we have released multiple products geared towards other grilling enthusiasts.

We hope you enjoy your BBQ Hack product and that it serves you well for years to come. Please keep in touch by joining the BBQ Hackers' Facebook group or follow us on Facebook or Instagram @bbqhack for all of our new products and updates. We wish you well on your BBQ journey and thank you for supporting and growing the BBQ Hackers' community.

Thanks,
Sam and Brian

Care and Use: The Spatula Hack Flex is handcrafted in El Dorado, KS. It should be hand washed and is not dishwasher safe. The handle is made of pure walnut dipped in boiled linseed oil. Over time, coat your handle with linseed oil to preserve the wood. The metal is 16 gauge 430 stainless steel and will last a lifetime.
