STILLFRIED 
WIEN

Drinking set no.280 - "Wiener Gemischter Satz"

design: POLKA, 2008

POLKA, a successful design studio from Vienna, has created a straightforward set for Lobmeyr, intended for joyful everyday use. Each glass radiates the elegance and grace of mouth-blown Lobmeyr crystal, and each tells its own story: the oenological correct wine glasses as well as the traditional champagne cups, representing ebullient pleasures.
