Drinking set no.286 „Normal-Special“

Design: Ilse Crawford, 2018

An universal drinking set that elevates the everyday. The drinking glass is offered in a series of glass thicknesses in the same design. Glasses range from delicate to robust and explore the subtle, tactile differences perceived through the weight and rim thickness. Each variation lends itself to different uses and individual preference. Two characteristic pitchers and a vase share the fluid, organic forms that shape this collection.
