

CIRCO DINING CHAIR

M AMES
D SEBASTIAN HERKNER

Designed by Sebastian Herkner, the first members of the CIRCO family celebrated their debut in Paris (maison et objets, 2017) a chair, a lounge chair and a side table. Taking inspiration from the tradition of travelling circuses and from the objects and shapes found in the circus, Sebastian Herkner has designed the CIRCO collection, boasting bases that are reminiscent of the stools on which circus elephants put their feet.

Colorful, unconventional and unique the Circo is handcrafted for Ames by Colombian artisans working in a small manufactory. The special colors for the recycled plastic are created using specially developed dyes whose production takes several weeks' time. suitable for indoor and outdoor use.
