

PICARD DESK

M ARTISAN
D REGULAR COMPANY

The form of the desk is inspired by classic writing desks, but reinterpreted in the spirit of new technological possibilities, 5-axis cnc carving in combination with artisanal handwork. It consists of two parts, the soft body, and distinctive legs that are embracing it. The legs are also dismantable. Features of the desk are 2 or 3 drawers, depending on the version (140 and 180cm width available), and a cable management compartment, which people can customize to their own needs. The desk is available with and without a shelf, and the tabletop can be ordered in solid wood or a contrast material.

As wood is a natural product, variations in color and pigmentation will occur. Wooden furniture will also change appearance over time as it is affected by the environment in which it is placed.
