

BLUMENAMPEL

M ATELIER HAUSSMANN
D ZASCHO PETKOW

The Hanging basket "Blumenkugel" by Zascho Petkow is a hanging room object made of powder-coated round tubes. In the standard version, Blumenkugel comes with a plastic bowl (PVC). Blumenkugel is also available with vase "Jar" by Birgit Severin. With its dark character, Blumenkugel embodies a pre-industrial romanticism that emphasizes the beauty and color intensity of the plants.
