

UNIDORM BED POWDER

M BARTMANN BERLIN

D BARTMANN BERLIN

The classic now available in douglas pine. Light as air, yet elegant and robust: The tall headpiece of the UNIDORM double bed creates a solid appearance that beckons you to lean up against it, while the frame's legs are set back so it seems to float in the room. Simple geometrical shapes and high-end materials like oiled pine, black steel and light rose linoleum lend UNIDORM a natural and universal character. Simplicity, functionality and clarity – that is the essence of not only its design, but also its assembly: In a blink of the eye, it can be taken apart and reassembled again.
