SHADE

Design: De Intuïtiefabriek

The wooden framework is made of solid elm and carries the fine glass elements. The different layers and levels of shelves, walls and doors play with light and shadow.

The small cabinet has an open compartment on top. Both pieces have adjustable shelves and give space to showcase all your precious treasures. For your personal archive.

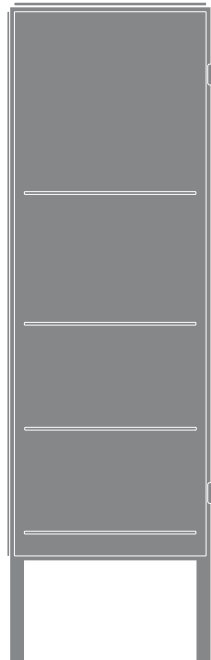

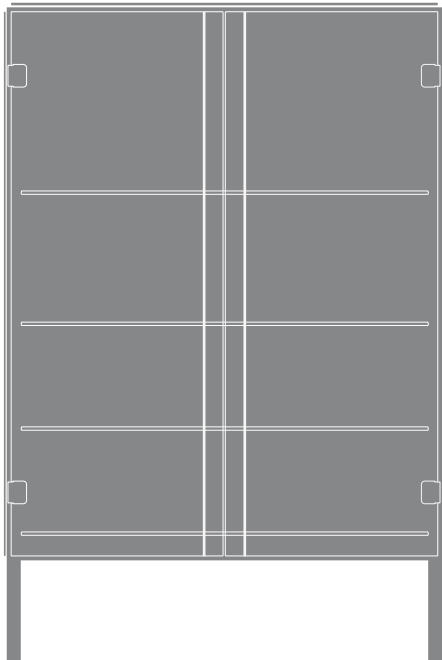

SHADE

Design: De Intuïtiefabriek

Materials:

- Wood: solid elm, clear lacquering
- Glass: Parsol Grey, 4 mm / 6 mm / safety glass
- Door hinges: Metal, black
