

ARX BENCH

M BULLENBERG
D BULLENBERG

Bullenberg's furniture is defined by the beauty and strength of oak wood as a material, architectural design and integrity, and the commitment to local manufacturing. Due to popular demand, Bullenberg went back to drawing table and added a bench to the ARX series.

As the table series, Arx bench is designed to be highly individualized. Customization begins with size. You can adjust the bench to your own spatial needs. Bullenberg's rich color palette offers even more opportunity to emphasize the unique character of each bench.

L 70.9" x W 15.7" x H 17.7"
