

SB02 FARAH
ANRICHTE / SIDEBOARD
DESIGN: PHILIPP MAINZER, 1999

Die Massivholzmaserung der Anrichte FARAH macht jedes Stück zu einem eleganten Unikat und lenkt den Fokus auf die Materialkombination von massivem Holz und einem nahtlos gefertigten Stahl- oder Edelstahlrahmen. /

The sideboard FARAH is a refined storage solution. The horizontal display of the solid wood grain makes each sideboard unique and elegant and highlights the combination of solid wood and a seamless steel or stainless steel frame.
