

**TA21 PLATZ**  
TISCH / TABLE  
DESIGN: JÖRG SCHELLMANN, 2012

Mit einer klaren und in sich ruhenden Form basiert der Entwurf des Tisches PLATZ auf der Ästhetik traditioneller Arbeitstische: eine markante diagonale Querstrebe sorgt für hohe Stabilität und unterstreicht einen informellen Arbeitsansatz. /

With clear and composed form the design of the table PLATZ is rooted in the aesthetics of traditional work tables: A distinct diagonal bar guarantees high stability and underlines an informal work approach.
