

MAJ COLLECTION

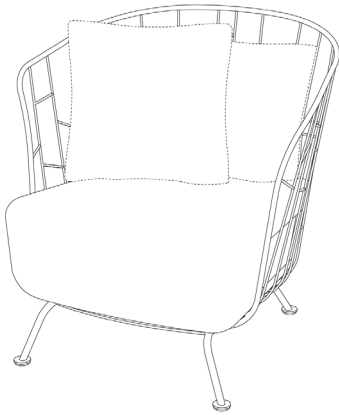

M EGOÉ
D STUDIO PÉLCL

The collection with a poetic name Máj (May) has been created with the help of Jiří Pelcl's Atelier as a peculiar contrast to today's design minimalism. The zinc-coated steel frame has a powder coated finish. The padded seats together with the pillows are made out of outdoor materials of the highest quality, that is why they are suitable for outdoor use all year long. The table tops are made out of high-pressure laminate (HPL).
