

ŠTOK COLLECTION

M EGOÉ

D DANIEL GOLÍK, MICHAELA HOMOLOVÁ

The first all-wood collection from Egoé pays tribute to honest craftsmanship and simple, timeless design (yes, we all still must have Grandpa's old stool somewhere in the basement or the attic). For its creation, we needed only four solid wood boards, two dowels, two wedges, and you!

The simple stools, benches, tables, or sideboards are easy to assemble. The thermal ash wood will look beautiful inside but is resilient enough for outdoor use. You can sit on Štok while painting a fence at the cottage, use it as an uncommon table in a coffee shop or place it in your favorite room.
