

## LINO C ARMCHAIR

M HUSSL

D ARGE 2

A shell chair made of natural materials that captivates with simple elegance: the Lino C. The clean lines and legs made of solid wood give the Lino C a steadfast and self-confident appearance. At the same time, the elastic backrest offers an inviting sit, fits snugly to your back, provides support and ensures an exceptional level of comfort. Linoleum is natural, durable and pliable. Cozy to sit in. Like in a nest.

Hussl has partnered with Munich-based design studio arge2, who share their enthusiasm for unconventional solutions, for over twenty years.

The Lino C is available as a side chair or armchair, with or without upholstery on seat and backrest.
