Fliegenbein PL Pendant Lamp

Mirroring the silhouette of the Fliegenbein SL standing lamp, Fliegenbein PL produces overhead ambient light that filters through a pleated silken shade and a frosted glass diffuser. Its elongated shade injects modern personality into a space. Single and double tubes—in light grey, dark grey, or brown matte lacquers—harmonize with the Fliegenbein series' signature splayed leg. A wheat-coloured electrical cord embraces the fixture's braided-steel suspension wire.
