Lily series - Espresso and Tea cup

design: KIM+HEEP, 2012/ 2013

Books were written on the colour of tea – so why hide it? The Middle East has a long tradition of using glass vessels for tea; Lobmeyr produced numerous tea and punch mugs in the 19th century. We knew before that our thin, lead-free crystal can bear mechanical strain. KIM+HEEP proved in impressive tests, that it is also extremely resistant to changes in temperature.

The design team developed a well-balanced and functional shape that blends harmoniously into Josef Hoffmann's "Patrician" series. A wonderful set to refine the moment of a joyful sip!

2013 the series has been completed by an Espresso cup. In reminiscence to oriental coffee cups our chandelier workshop creates a heavy gilt brass saucer.
