

W1 STACK SHELF

M LOEHR
D DIRK WINKEL

STACK is highly functional with an inherent architectural quality. Boards and side panels engineered from steel and aluminium sheet metal can be assembled to form a rigid grid structure providing stability and sturdiness. The modular dimensions are defined by standardized everyday items and the requirements of office environments. The elements are bolted together at mounting points invisible from the exterior, lending the shelf an industrial and minimalist aesthetic.

per unit:

L 33.5" x W 15.7" x H 16.5"

L 55.1" x W 15.7" x H 16.5"
