## MELANCHOLIC HARMONY

The LEVI Seating Object is a utopia. The organic and idealized shape is reminiscent of the sketch of a cloud-like body as we encounter it in a daydream.

In combination or as a free-standing solitaire, LEVI Sofa, Lounge Chair & Pouf become places of yearning in every room. The strikingly voluminous, artfully handcrafted upholstery invites you to linger. Lying comfortably or sitting relaxed: a functional design that takes the demands of a self-determined generation for the versatility of upholstered furniture seriously.

In a time of social upheaval, the almost melancholic harmony of the LEVI Seating Objects shakes the separation of art and life.

### ABOUT OUT

OUT OBJEKTE UNSERER TAGE was founded in 2015 with the ambition to create space for a self-determined generation. Our goal is to create furniture and accessories that meet the needs of our time and have a practical and emotional value. OUT stands in the tradition of German design. We act with great care, design thoughtfully and think functionally. Our objects are manufactured fairly and sustainably in Germany. Each object embodies craftsmanship and sophistication. Our home is Berlin. The city decisively shapes our design. We are passionate, dare to innovate, and enjoy diversity. The result is an eclectic collection of substance: clear, straightforward and uncompromising in design, yet pure, expressive and consistent in its implementation. We celebrate the real life and the beautiful.
