

## MEYER 23 TABLE

- M OBJEKTE UNSERER TAGE
- D OBJEKTE UNSERER TAGE

The MEYER 23 is an unmistakable part of the MEYER family and yet has its very own design language. An exceptionally clear geometry can be found in all details of the design. The graphically balanced table edge presents the valuable solid wood from sustainable forestry in its most beautiful form. The table legs are placed close to the edges, offering you space to stretch out and adding a serene lightness to the design. The idea of combining the spirit of Berlin with innovative and sustainable production in Germany is what defines the honest character of the MEYER 23. MEYER is the warm feeling of making yourself cozy at home.
