M OBJEKTE UNSERER TAGE  
 D OBJEKTE UNSERER TAGE

Emerald, Lilac, Berlin Blue and Aprikosa – colors are emotions. Free and light or dreamy in romantic thoughts. The MEYER COLOR Coffee Table is pure joy in expressive colors. The sunlight breaks on the floral grain with poetic beauty. You can even feel the grain with your hands. The birch multiplex material with the aesthetically pleasing ash top veneer is particularly stable and is more suitable for a colored or transparent finish than other types of wood. In addition, the birch is native to OUT's region. Whether as a nightstand in the bedroom or in bold and fresh combinations in the living room, the MEYER COLOR Coffee Table gives your home a personal touch. Colors have an emotional meaning. What memories and feelings you associate with them makes all the difference.
