At tables we eat together, share ideas and exchange our thoughts. The MEYER Table is a place to get together. MEYER is warm and comfortable, instantly creating a feeling of home. Made of solid wood, the design of the MEYER Table is both progressive and classic at the same time. The naturalness of the high-quality woods is combined with an amazingly light silhouette. The inviting and warm design language of the table of the MEYER series also shapes the MEYER Bench. It impresses with a delicate and filigree appearance, which gives the bench an incomparable lightness. Thanks to its subtle appearance, the MEYER Table works ideal as a dining table or kitchen table, but also suits every office.
