The SCHULZ Bar Stool is the logical addition to the SCHULZ Chair and enriches the collection of *OBJEKTE UNSERER TAGE* with another icon. The chair and bar stool clearly share the dynamic silhouette that gives both objects a lively aura. The bar stool, which has been manufactured with the utmost precision, harmoniously combines graphic surfaces into a unity of material, color and form. His appearance is futuristic, almost abstract and thus contrasts his traditional roots.
