M OBJEKTE UNSERER TAGE
D OBJEKTE UNSERER TAGE

The SEIDEL Throw made of pure organic cotton is super fluffy and soft. After weaving, it is brushed many times for a particularly velvety texture. Six expressive color worlds give SEIDEL a unique identity. The abstract graphic design was created in the HAUS OF OUT studio in Berlin. SEIDEL is produced in Bavaria, from yarn dyeing to weaving. In winter SEIDEL keeps you cozy and warm, in summer the blanket optimally balances your body heat. An ideal choice, especially for sensitive skin. Your date for a romantic Friday night, the SEIDEL Throw.
