DESIGN

JAKOB MAYER, 2021

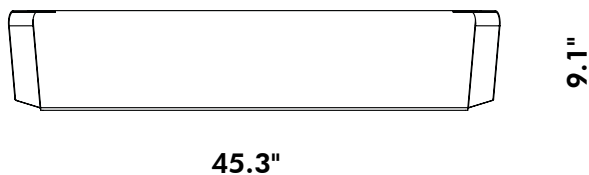

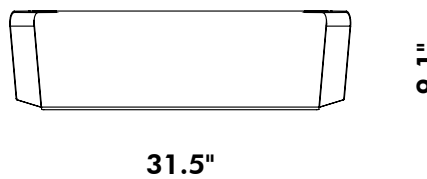

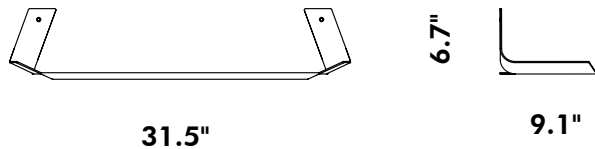

The gaze wanders to the stars, unknown moons, fantastic spaceship crosses the sky. Science fiction, the electrical tension, that the beginning of this object of complex geometry. The shape is precisely laser. Clever folding creates a multidimensional reserved use of materials. TARO is an extraordinary in a three-way arrangement, as a system for books the collection of beloved objects, as a bedside table or key holder in the hallway. Not from this world.
