The WEBER Modular Sofa is based on a clear appearance and refers to geometric basic shapes. The armrest can be variably inserted left or right in the modules, which can also be used individually and freestanding. The combination of innovative modules such as Love or Family Seat creates a functional-graphic yet sensual line: an object of new German sensuality. Designed in Berlin & Made in Germany, WEBER presents the craftsmanship and quality of traditional production with sustainable awareness.

DESIGN

OBJEKTE UNSERER TAGE x Kevin Gerstmeier, 2019

MATERIAL

Corpus made of plywood, frame, Nosag springs, polyfoam

UPHOLSTERY PROGRAM

Recommended standard fabric options

The OUT collection is available in any fabric or leather from our upholstery program with standard lead time.

In case you have selected a fabric or leather that is not listed in our upholstery program, the order will be processed under customer's own material (COM) / customer's own leather (COL). We reserve the right to refuse requests due to insufficient feasibility.
