The WEBER Side Table is a multi-functional object with a clear charisma. The shape, reduced to a rectangle and a circle, consciously adapts to the lines of the WEBER Modular Sofa. Flexible in use, the WEBER Side Table can be pushed to the sofa, placed horizontally on the WEBER pouf, or combined back to back into a circle. The cut-outs are precisely cut from the powder-coated steel by a laser and make gripping easier. In matt black, white or pure orange, the WEBER Side Table offers ideal storage space when snacking on the sofa or as a bed-side table for cozy hours in the ZIANS Bed.
