

YOGI TABLE

M ONE FOR HUNDRED
D ANNA PRINZHORN

Yogi is the contemporary reinterpretation of the Jogl-table, the classic in every farmhouse parlor. The Jogl-table originally comes from Joglland, a region in the north of Styria. It was always the social center of the room, where the family met every day.

All parts of the table are made of solid wood, are oiled or painted in the color of your choice. The tabletop and legs are easy to assemble and dismantle. The YOGI table is delivered flat packed.

The YOGI collection consists of a table, bench, and stool. YOGI's appearance is inspired by classic farmer's furniture and made of solid wood and available in various finishes.
