

3/4/3 ARMCHAIR

M PLANK
D ROLAND RAINER

Designed in 1954, Roland Rainer's iconic chair is stackable, comes in two different widths (10 or 13 holes) and seat heights. In order to make use of the chair in a wide variety of settings, it is available with or without arms. The solid beech frame and the thin 3-layer plywood seat come in the original color palette and can be stained or lacquered in a custom color.
