

## METRUM STORAGE

### M SANKTJOHANSER

Metrum is Sanktjohanser's newest made to measure cabinet and storage system. Slender side walls with recessed handles rhythmize the fronts and shape Metrum's serene appearance. Metrum comes optionally with doors, drawers, clothes rails, open frontal or side compartments. Metrum will serve you as a room divider, sideboard, high-board, cupboard or built-in wardrobe and its high-quality fittings ensure a quick and easy installation.
