

RELIKT

M SANKTJOHANSER

RELIKT can be both a side table and a stool. This modular furniture is made of solid wood or multiplex. The shape of the elements can vary between an O and a U shape. The third cube K can be completely closed with a lid and comes on castors. Relikt O comes on castors as well and is available in two different floor clearances. The cubes O and K can be placed under the U-shaped stool.
