

the DAIS BOWL

designed by Julia Jessen | 2019

Dais bowl in all colours

The curved silhouette and rhythmical structure of the *Dais bowl* allude to the aesthetics of topographic and architectural elements. Subtle details bridge with characteristic contours to emphasize a poetic sense of form, giving the bowl a calm and balanced character.

Made of ceramic in our own workshop, the *Dais bowl* comes in three stunning pastel hues „Sand“, „Lavender“ and „Peach“ and fits perfectly into modern homes to offer space for fresh fruits or other daily goods.
