# *the* ZAPPY LAMP
designed by Niklas Jessen | 2012

Zappy small with oak veneer

Inspired by the cone of the French pine, this lamp arouses the feel of nature and forest into your home. *Zappy* stands out with its soft and inviting glow. The carefully handmade lamp of ash or oak veneer illuminates any indoor space with sublime light quality.

With its delicate wooden panels and the detailed natural design, it impresses as a beautiful lighting object and will be a focal point in any room. The veneer panels of Zappy gently open or close with change of room temperature, creating different subtleties of the indirect light.
