

P.O.V. TABLE 465

M TON
D KASCHKASCH

The P.O.V. collection features a modular design and an organically shaped table base. While it may look discreet, this P.O.V. table has the potential to command a room – it all depends on your point of view. At 28.7” high and 13.8” wide, the elongated central base provides complete stability and support for a large tabletop. This version can be paired with three different tabletop shapes (rectangular, oval, rectangular with rounded edges).
