

CLOUD LAMP

M WB FORM

D SUSI BERGER-WYSS AND UELI BERGER

A pendant lamp in the shape of a sensuous cloud. Consisting of two asymmetrical bowls, this light and airy lamp floats above any dictate of form: a light-flooded 'celestial body'.

A white, semi-transparent 'celestial body': Cloud Lamp consists of two differently shaped and bonded polystyrene bowls with a maximum diameter of 70cm.

W 27.6" x D 21.7" x H 17.7"
