

BACHMANN

M DAS KLEINE B
D JENS BAUMANN

Flexible and for purists – the desk Bachmann is a workplace reduced to the bare essentials. The writing surface, made of solid oak covered with furniture linoleum, offers enough space for a laptop, notes, pens, and whatever else you may need. There is an additional tray underneath it. The recessed tabletop leaves room for a lamp or charging cables. The desk only leans against the wall so that it can always be moved to where it is most convenient for working.

The desk is available in two versions – with or without a bar – and in four different colors.
