

## das kleine b

**M** das kleine b  
**D** Jens Baumann

Choose between different modules and sizes and have your books floating around. This shelf creates the impression of books floating on air. Whether art books or pocketbook, only the solid wooden frame seems to give them support. When the shelf is emptied the secret is revealed: embedded stainless steel angles keep the shelf on the wall. Book heights up to 7.6" | 8.7" | 12.2" depending on size option

### DIMENSION

For books up to 7.6":  
 b1: W 12.6" x H 8.8"  
 b2: W 19.9" x H 8.8"  
 b3: W 27.2" x H 8.8"  
 bcorner1: W 20.1 x W 13.8" x H 8.8"

For books up to 8.7":  
 b4: W 12.6" x H 9.9"  
 b5: W 19.9" x H 9.9"
