

BASTI- PRESENTATION

M DAS KLEINE B
D JENS BAUMANN + SEBASTIAN FEHLBERGER

For those who like to look at their shoes when they are not wearing them, we offer the presentation series of the shoe rack basti. Here, the shoes are presented, to become a part of the interior. The shoe shelves of the basti> series can be combined as required – depending on how much space is needed. Together with gardero-b they deliver a completely variable size solution for shoes, jackets, and coats.
