

GARDERO-B

M DAS KLEINE B

D JENS BAUMANN + SEBASTIAN FEHLBERGER

The hall stand gardero-b offers space for coats and jackets, without taking up much space. It floats against the wall, held up by two powder-coated steel hangings. The gardero-b3 also has space for shoes on three powder-coated aluminum shelves.

The three variants of the gardero-b can be combined with each other – depending on how much wardrobe space is needed. Together with the shoe racks basti, they provide a completely variable size solution for shoes, jackets, and coats.
