

SHIMPO'S

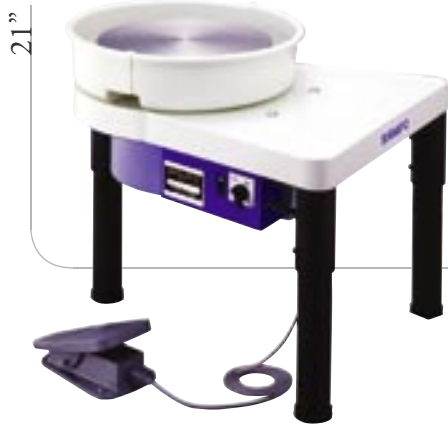

# VL-Whisper

Beyond perfect

The superior technology of Shimpo's RK-Whisper potter's wheel and the popular features of Shimpo's Velocity V75 potter's wheel have been combined to create the second model in Shimpo's Whisper series potter's wheels: the **VL-Whisper**.

Responsive, high torque at all speeds, powerful and we can now say the quietest wheel in the potter's wheel market. **It's a "quiet" that must be heard to be believed!**
