5 Two-in-one Solution

This innovative appliance combines the precision of a food processor with the power of a blender, which makes it easy to create just about any dish. Easy to use and easy to clean, the Fusion offers consistent blending and one-touch operation. \$79.99; osterfusion.com or 866-588-1141.

6 Classic Cravings

These handcrafted Baltic birch crates make great gifts for any occasion. Hollyberry Baking Company packs them full of goodies, including a mix of its award-winning cookies, Goey Butter Cake, and powdered-sugar shakers. \$29.95 and up; hollyberrypacking.com or 800-690-1974.

7 Samurai in the Kitchen

The custom designs of New West Knifeworks are forged in traditional Japanese shapes with Damascus steel. The innovative design, Western handle shapes, and unique material selection reflect the quality and experience that go into making beautiful knives. \$35-\$199; newwestknifeworks.com or 877-258-0100.

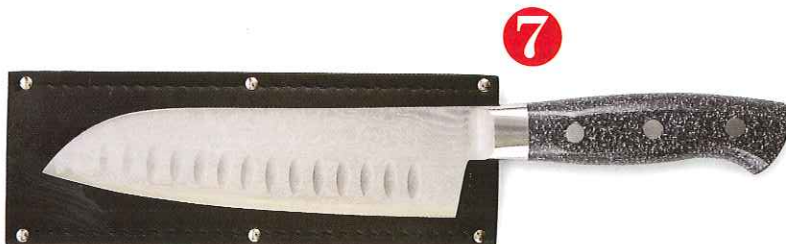

8 Handcrafted for Cutting

The heirloom-quality cutting boards of Sleeping Bear Woodworks are individually handcrafted works of art. Most are formed from a single piece of highly figured birds-eye or curly maple, and some have been "pegged," forming a beautiful design on one side. \$68 and up; sleepingbearwoodworks.com or 845-434-3085.
