STEPS FOR WAX ATOMIZER OPERATION

STEPS FOR CARTRIDGE OPERATION

(Mouthpiece cannot be used with a cartridge.)

STEP 3: Click the **POWER** button 5 times to turn on. The Micro Dose will start to automatically pre-heat for 10 seconds.

STEP 4: Click the **POWER** button 3 times to cycle through temperature levels. Press and hold button to activate.

STEP 5: Click the **POWER** button 5 times to turn off.

PRE-HEAT

When the device is powered on (for both wax atomizer and 510 cartridge use) it begins to pre-heat automatically for 10 seconds at 2.3V. If any further pre-heating is needed while the unit is powered on, click the power button 2 times, and the device will start pre-heating again. To stop pre-heat at any point during Auto Pre-heat or Manual Pre-heat, click the **POWER** button once to cancel.

CLEANING

For optimal performance and flavor, clean wax coil after each session with an isopropyl-soaked cotton bud, and allow to completely air dry. The same maintenance can be performed on the 510 threading of the battery if any spillage occurs, as well as inside the mouthpiece. Allow to air dry completely before use.

WARRANTY

Pulsar® products are guaranteed from manufacturer defects or malfunction from the original date of purchase for a period of 1 year. This limited warranty protects against manufacturer defects under normal use and does not apply to normal wear and tear, improper use, and accidental damage from dropping or submerging in liquid, improper cleaning, neglect, or any other damage that is not a result of defective materials or workmanship. If your device qualifies for servicing, we will repair or replace, at our discretion and expense, any defective parts or materials. Purchaser must provide a copy of the original dated sales receipt and may be required to provide shipping to return defective parts or materials. We intend to complete all repairs/replacements within 7 business days, although this timeframe may vary depending on shipping, replacement part availability, or other related factors. The lawful and proper use of this device is a condition of sale. Any improper use of the device will void the warranty. Warranty is non-transferable. This warranty gives you specific legal rights, and you may also have other rights, which vary from state to state.
