

Dear _____

I think you've been doing such a great job this year and I wanted to let you know.

I've made you a Complutiment!
It's a compliment that sits on your computer! Every time you're at your computer screen it will remind you of how much I believe in you and that I think you're awesome.

You can easily attach your Complutiment to the back side of your screen with a few pieces of sticky tape. Make sure that the paper sits above the screen so you can see it!

Happy World Teachers Day!

From _____

to our awesome teacher
Thanks!
