

► FLORENCE 3 SURFACE

Distinctive blossoms prized for their arrestingly beautiful structure bring to mind desert sunsets in an otherworldly paradise. Position each petal of this magnificent flower to create an individual style that will uniquely reflect the brilliant glow diffused from three handcrafted glass globes. Available exclusively in our Heirloom Brass patina, the warm, amaretto tones display the character of a treasured artifact. Each light is handmade to order for you.

Namesake: Florence Nightingale – The "Lady With the Lamp" was a staunch social reformer and the mother of modern nursing.
