

► MARJORIE PETITE SCONCE

Our Marjorie Collection delightfully features our exclusive reproduction French petticoat opal shades paired with the graceful arms from our Parisian Marie Collection. With the timeless elegance of a ballerina, this romantic collection revels in memories of crème brûlée and nights at the Palais Garnier.

Every milk glass Marjorie shade is handblown and then carefully pressed in a mold to create delicate pleats. No two shades are exactly alike. Made with solid brass parts and handblown glass, imperfections are inherent in our handcrafted artisan production giving each light vitality and authenticity.
