* * * * *

STAFF POLICIES

Masks must be worn while at work

All staff retake updated food safety training & certification

Designated Sani-Czar on each shift; handwashing prompts every 15 min

Limited number of people on each shift

Shifts are as stable as possible to limit # individuals staff work with

Health screening (including temp checks) before each shift

Employees may NOT come to work if sick; must be symptom-free for 72 hrs

Covid-related sick leave up to 80 hours

* * * * *

FACILITIES / MISC

Products pre-packaged in kitchen to limit handling

Staff workstations are distanced by at least 6 feet

One way traffic flow & clear markers

No in-store dining or public restrooms

No communal objects, ie: pen cups, cream pitchers

Sanitize all surfaces often throughout day; "hot" areas every 30 min

Supplies intake area; sanitize items before stocking

No more than 2 people in the office or a close area at once

Weekly deep clean by professional cleaners

Installed touchless light switches & forearm door openers

Acrylic partitions where applicable
