# Things to Know

**Hamburger Fold**-Fold horizontally

**Hotdog Fold**-Fold vertically

**Folds**-Labeled with a small line to show where the fold is and the words “hamburger fold” or “hotdog fold.”

**Dotted Lines**-These are the cutting lines

**Accordion Fold**-This fold is like making a paper fan. Fold on the first line so that title is on top. Turn over and fold on next line so that title is on top again. Turn over again and fold again on the next line so that title is on top. Continue until all folds are done.

**Cover Labels**-Most of the booklets that are folded look nicer with a label on top instead of just a blank space. They will be labeled “cover label.”

## So where do the mini-booklets go?

A shape-coded and labeled KEY is included. This key shows you where all of the mini-booklets go in each folder. Keep this page handy! You'll also see at the top of the mini-booklet pages another graphic that shows once again where to place the booklet in each folder. So there are TWO ways to see where to place the booklet. We made it easy! You won't get lost.

## Lapbook Assembly Choices

(see photos on how to fold and glue your folders together)

**We recommend using Zip Dry Glue.**

Choice #1 -Do not glue your folders together until you have completely finished all three folders. It is easier to work with one folder instead of two or three glued together.

Choice #2 -Glue all of your folders together before beginning. Some children like to see the entire project as they work on it. It helps with keeping up with which folder you are supposed to be working in. The choices are completely up to you and your child!

## How Long Does it Take to Complete the Lapbook?

Doing a study guide page and mini-booklet a day, a 3-folder lapbook takes about one month to complete. However, you can expand the study portion and make it last as long as you like! That's the beauty of homeschooling! Do it YOUR way!
