Things to Know

Hamburger Fold-Fold horizontally

Hotdog Fold-Fold vertically

Folds-Labeled with a small line to show where the fold is and the words “hamburger fold” or “hotdog fold.”

Dotted Lines-These are the cutting lines

Accordion Fold-This fold is like making a paper fan. Fold on the first line so that title is on top. Turn over and fold on next line so that title is on top again. Turn over again and fold again on the next line so that title is on top. Continue until all folds are done.

Cover Labels-Most of the booklets that are folded look nicer with a label on top instead of just a blank space. They will be labeled “cover label.”

So where do the mini-booklets go?

A shape-coded and labeled KEY is included. This key shows you where all of the mini-booklets go in each folder. Keep this page handy! You'll also see at the top of the mini-booklet pages another graphic that shows once again where to place the booklet in each folder. So there are TWO ways to see where to place the booklet. We made it easy! You won't get lost.

Lapbook Assembly Choices

(see photos on how to fold and glue your folders together)

We recommend using Zip Dry Glue.

Choice #1 -Do not glue your folders together until you have completely finished all three folders. It is easier to work with one folder instead of two or three glued together.

Choice #2 -Glue all of your folders together before beginning. Some children like to see the entire project as they work on it. It helps with keeping up with which folder you are supposed to be working in. The choices are completely up to you and your child!

How Long Does it Take to Complete the Lapbook?

Doing a study guide page and mini-booklet a day, a 3-folder lapbook takes about one month to complete. However, you can expand the study portion and make it last as long as you like! That's the beauty of homeschooling! Do it YOUR way!

How It All Goes Together

What you need to get started

- *A printed copy of the lapbook by A Journey Through Learning
- *colored file folders
- *Scissors
- *Glue
- *Hole puncher
- *Brads
- *Stapler

To make the storage system (optional-directions under “Keeping it all together)

- *Duct tape (preferably at least two different colors but not necessary)
- *One 3-ring binder

Study Choices

Choice #1- Read the first page of the study guide. Then use the internet and fun children’s books to learn more about the topic that is covered in that study guide. For instance-our American Indians lapbook has a study guide page about Geronimo. Dig into Geronimo. There are probably lots of interesting things to learn about him that the study guide does not cover. Spend a day on Geronimo or spend a week! The pace you take for the lapbook is completely up to you. When your child has completed studying that particular topic, it will be time to do the mini-booklet for that topic. The mini-booklet patterns are found right after the study guide page that it goes with. Or, your child might want to do the mini-booklet before he/she delves deeper into the subject. Once again, the order is completely up to you and your child.

Choice #2- Read only the study guide page and do the mini-booklet that goes with it. The mini-booklet patterns are found right after the study guide page that it goes with. You may choose to do one study guide/mini-booklet per day, two per day, two per week, three per week, etc. It doesn’t matter. The pace is completely up to you. At one per day, it will take about a month to complete a 3 folder lapbook.

Folding a Lapbook Base

Gather the number of folders required for the project. Fold them flat as seen here.

For each folder, fold the left and right sides inward toward the original line to create two flaps. Crease so that the highest part of each flap is touching the original line. It is important not to let the two flaps overlap. *You may want to take a ruler and run it down each crease to make it sharper.*

Glue your folders together by putting glue (or you may staple) on the inside of the flaps. Then press the newly glued flaps together with your hands until they get a good strong hold to each other. Follow this step to add as many folders as you need for your project. Most of our lapbooks have either 2 or 3 folders.

Can I store all of my lapbooks in ONE location?

Yes! A Journey Through Learning has come up with a way that you can store all of your lapbooks from your books in ONE convenient location. A 3-ring binder serves as a great place to keep your lapbooks. This method of storage not only keeps your lapbooks from getting lost but also keeps them neat and readily available to show to dad, grandparents, friends, etc. When they are not being shown off, just place the binder on your bookshelf! On the next page, we have given you step-by-step directions (with pictures) of how to create a storage binder.

How to make a storage system for your lapbook(s)

Roll out enough duct tape to go across the folders lengthwise.

Put duct tape sticky side up. Place binded edge of lapbook on the duct tape (no more than ¼ inch!).

Then stick duct tape to the other side again about ¼ inch. There will need to be enough tape to hole punch.

Stick duct tape into hole puncher but be careful not to punch holes in your folders.

It will look like this.

Store folders in 3-ring binder.

Tips and tricks to go the extra mile!

Supplies Need:

½ inch three-ring binder

5 tabs (if you are using our copywork and/or notebooking pages, you will need to have 7 tabs. Label with copywork and notebooking)

Quart size baggies

Duct tape

Your study guide and mini-booklets pages

Office supplies-glue, scissors, brads, stapler, pencils, crayons, and ribbon (if needed)

1. Label your tabs: Study Guide, Book Log, NICK, Biography Reports, Outlines (Copywork and Notebooking, if using these).

2. Make copies of NICK notes and outline forms and put them behind the tabs. Your child can use either the NICK notes form (easier) or the outline form (a bit harder) after any of the study guides. These serve as a good review of the material in the study guide.

3. Hole punch your study guide and mini-booklets sheets and place behind the Study Guide tab. You will read a page of a study guide. Behind the study guide are all of the booklets that go with that study guide.

4. Keeping your office supplies handy-Measure the bottom of a quart size zip-lock bag. Then measure out a strip of duct tape that length. Lay the zip-lock bag on the lower edge of the tape. Fold the other end of the tape down on the zip-lock bag. Your duct tape should be sticking out from the bag. Now, you can hole punch the duct tape strip. **DO NOT HOLE PUNCH INTO THE BAG!** Then put it into your 3-ring binder. Use this bag to store items you will be using for your lapbook. Glue, scissors, hole puncher, stapler and extra staples, crayons, pencils, brads, ribbon, and any unfinished work. Doing this one step keeps you from having to constantly gather supplies every time you want to work on your lapbook!

Was Jesus' Death Prophesied?

Prophecies are God-given revelations of the future. God used prophecies to instruct his people about events that would occur later. Prophecies are God's promises, not predictions.

The birth of Jesus was the fulfillment of centuries of Messianic prophecies found in the Old Testament. Throughout the Old Testament, stories were told of the place of Jesus' birth, details of his life, his mission, his nature, his death, and his resurrection. There are over 300 Messianic prophecies in the Bible's Old Testament that refer to Jesus.

These prophecies are all promises straight from God. It was stated in the prophecy that the Messiah would be a leader, a prophet, a teacher, a priest, and one of God's chosen people, a Jew. They knew he would somehow fill the role of intermediary between God and man. He would speak the words of God and offer himself to die for the sins of the people.

The death of Jesus is prophesied in Zechariah 12:10

"And I will pour out on the house of David and the inhabitants of Jerusalem a spirit of grace and supplication. They will look on me, the one they have pierced, and they will mourn for him as one mourns for an only child, and grieve bitterly for him as one grieves for a firstborn son."

The Ministry of Jesus

Jesus began his ministry around the age of 30. It lasted for 3 years. The Galilee region was the home of Jesus during much of this time. The Bible tells us that Jesus preferred parables, metaphors, allegories, sayings, and proverbs as his method of teaching. Before Jesus' ministry began, He was baptized by John the Baptist in the Jordan river. After that, Satan tempted him in the Judean desert. We later learn that Jesus left his hometown of Nazareth. During this time, King Herod arrested John the Baptist.

After leaving Nazareth, Jesus went to Capernaum, a sizeable town on the northwest shore of the Sea of Galilee. While Jesus was here on earth, he performed many miracles, told parables, told what heaven was like, and how God cares for us. He shared his message in synagogues, in boats, on hills, and in homes. During his ministry, he healed the sick, helped the tormented, raised the crippled, and gave sight to the blind. However, Jesus' main purpose for coming to earth was for a reason that no one else could fulfill.

God knew that we as sinful humans could not live a sinless life. We would make many mistakes and do many wrong things. Yet, God loved us and wanted us to be with him forever. So, he sent Jesus to make a way for us to go to heaven.

Jesus shed his blood on the cross to cover our sins. Now our sins can be cleansed and we can be worthy of being with God forever. Thank you, Jesus, for your great sacrifice so that we can go to heaven someday!
